

# Director

E. Jonathan Snyder  
Founder and Director

Mr. E. Jonathan Snyder is the Founder and Director of Platinum Security Group Inc., dba, ARGUS International Security Services. He has served in a Security and Safety management capacity within the Fortune 500 Community and also as a private consultant for numerous organizations; including the Gaming and Hospitality industries.

During the aftermath of the Oklahoma City Bombing, he provided both protection and media liaison services at the primary staging facility. In addition, Jonathan's services were used assisting Federal State and Local Agencies, as well as, international media networks like CNN. During his tenure with Keystone & Associates, a Ralston-Purina company, Mr. Snyder also served as the company's Emergency Planning Coordinator for the "Summit County Emergency Response Task Force," strategically located in the heart of Colorado's premier ski country. In 2003, Jonathan was appointed by Congressman and Majority-Leader "Tom Delay" as the Honorary Chairman of the National Republican Congressional Committee's "Business Advisory Council".

Educated from AMU in International Relations with a Concentration in Special Operations/Low Intensity Conflict, Jonathan completed additional training through the (UN)United Nations Institute for Training and Research in Global Terrorism and Peacekeeping Command Operations. He has also completed segments of the Executive Protection and Defensive Shooting course from Executive Security International and is certified from the US Department of Labor as an OSHA "Outreach" Trainer.

Jonathan is an Honorably-Discharged veteran of the US Navy and has served as a Consultant/Private Intelligence Contractor in field operations.

As part of his continued effort to support the security and safety industry, Jonathan holds active membership in the following organizations:

ASIS (American Society for Industrial Security)  
AFIO (Association of Former Intelligence Officers)  
NMIA (National Military Intelligence Association)  
ASSE (American Society Safety Engineers)  
IACSP (International Association of Counterterrorism and Security Professionals)
