**"TITLE EXCELLENCE OF FLORIDA" A PLATINUM SECURITY GROUP BRAND,
ANNOUNCES LAUNCH OF VICTIM'S ADVOCACY PROGRAM "CHANGING
LIVES" AT "WOMEN IN DISTRESS OF BROWARD COUNTY" S.A.F.E. SERIES
RECEPTION**

August 10, 2004/Fort Lauderdale, FL - Title Excellence of Florida, a title marketing company for the real estate industry, announced in May a unique new community project called "Changing Lives" to benefit Women In Distress.

Title Excellence has pledged to donate to WID a significant portion of funds from every real estate closing per month to assist a victim in her struggle to break away from the vicious cycle of abuse, neglect and fear. "We are truly grateful for this opportunity to make an impact on the lives of those striving to break the cycle of domestic violence," said Platinum Security Group, dba Title Excellence, President/CEO Jonathan Snyder. "I do hope that by initiating Changing Lives, Title Excellence will lead by example other corporations towards giving back to their community."

Participants in the Changing Lives program will be recognized for their generosity during a reception hosted by Title Excellence in January 2005.

Valued WID supporters gathered recently at Café del Mar located on Fort Lauderdale Beach for a cocktail reception. The evening was part of our S.A.F.E. Series (Stop Abuse For Everyone). The S.A.F.E. Series provides the opportunity for WID donors, Board of Directors, and staff to come together... to share ideas... and socialize with those who share the common goal of keeping our community SAFE.
