PLATINUM SECURITY GROUP INC., dba "ARGUS INTERNATIONAL SECURITY SERVICES" IS AWARDED \$72,000 CONTRACT BY "SYSCO FOODS" TO PROVIDE 24/7 FACILITY SECURITY DURING TEAMSTERS' UNION NEGOTIATIONS.

September 3, 2003/Fort Lauderdale, FL - Continuing its outstanding tradition of providing the best services possible and leading the security industry to new levels, Argus International Security Services (AISS) proudly announces that it has been awarded the security contract to provide 24/7 facility protection for SYSCO FOODS OF OKLAHOMA, a FORTUNE 500 company. SYSCO, an industry leader in the grocery distribution industry, has engaged AISS to provide enhanced security measures, in order to provide a safe and secure working environment for all SYSCO staff during the potentially hostile negotiations with the Teamsters Union.

"We are extremely proud of this significant opportunity to assist SYSCO FOODS in their quest to continue business operations in a safe and secure environment", stated E.J. Snyder, Chairman and CEO of Platinum Security Group. SYSCO has requested us to devise a complete security solution for continued business operations in the event of a formalized union strike. Equally as important, AISS is to insure that all staff members, not only non-striking employees, vendors and customers are allowed to continue their daily routines without the fear associated with crossing union-lines. Additionally, AISS representatives are to provide Video Surveillance, Access Control, Worker Transport (Across Picket Lines) and coordination with State and Local Emergency Response Organizations.

AISS is the operating division of Platinum Security Group Inc.(PSGI), a privately-held leader in the growing security-related services industry.
